Asotin County Library Mission

The Asotin County Rural Library District was created by and belongs to the people it serves. The Library exists to advance intellectual curiosity, promote lifelong learning, provide recreational materials, and enrich environments in which minds can grow. It supports an active, informed community by providing all people with access to materials in various formats representing diverse points of view.

Purpose of Art Displays

The primary purpose of the art displayed at the Asotin County Library is to enrich the library experience of Library patrons and visitors, particularly:

1. To enhance and increase community appreciation of the arts,
2. To present a variety of exhibitions by area artists in the visual arts and other media that are educational, historical, cultural, intellectual, charitable, and/or recreational, and
3. To help local and regional artists increase their public exposure.

Policy Statement

The Board of Trustees of the Asotin County Library feels it is desirable to display local and regional artists' work of art in the Library. The Library is committed to exhibitions that reflect a wide range of views, expressions, opinions and interests. Exhibits will be chosen with the expectation that patrons of all ages will have viewing access. Art that is offensive, sexually explicit, or threatens violence towards or intimidation of an individual or group will not be considered for display. Permission given to any artist to display their work at the Asotin County Library does not in any way constitute or imply endorsement of its beliefs, policies or programs by any library official or the Board of Trustees.

The Asotin County Library Director and Board of Trustees, with input from the Library Art Committee, reserves the right to determine at its sole discretion what materials will be displayed as well as scheduling, duration, and assignment of display.

Guidelines

- Asotin County Library employees and associates, members of the Board of Trustees, and Art Committee members may submit their art work for consideration, but agree to remove themselves from the review and selection process of their application.

Procedures

Applications for exhibits must be sent to the Asotin County Library. Submissions will be reviewed by the Library Art Committee before being presented to the Library Board of Trustees and Library Director for final approval. The artist must include all material required in the application and must arrange with the Art Committee an opportunity for the committee to review presentations of his or her work or work similar in nature; i.e. slides, photographs, color copies, digital samples. Final decisions contingent on review of work in-person by member(s) of the Art Committee, Library Director and/or Library Board of Trustees.

The Committee will review applications on a rolling basis. If an exhibit is selected, a member of the committee will contact the artist with display availability. Criteria for selection includes, but is not limited to: high artistic merit, prominence, authority and/or competence of artist, attention of critics and reviewers, potential for public interest, contemporary significance or popular interest, statement of challenging, original or alternative point of view, and authenticity of historical, regional or social setting.

Price list will be kept at the Library during the duration of the exhibit for art inquiries from patrons or visitors. Library staff will provide artist contact information to interested individuals.

Publicity

The library will publicize the exhibit in the print and e-newsletter, through social media, on the library's website and with a press release to local newspapers and radio stations. The Art Committee may create a brochure or pamphlet detailing artist information and general information about work(s) on display. Any additional publicity is the responsibility of the exhibitor. Any promotional materials, news releases, or flyers must be approved by the Library Art Committee before being used. Artist may be asked to participate in a library-approved program providing the general public an opportunity to "Meet the Artist".
