1. What was the age and name of the boy who shot Sheriff Wormell and in what year did that happen?
2. Find a picture of the first electric street car to cross the bridge over the Snake River between Clarkston and Lewiston. What is the Resource Identifier number for that picture?
3. What is the name of the photographer who took pictures of early agriculture and homes in Clarkston? He was employed by the Lewiston-Clarkston Improvement Company and also chronicled the irrigation system that allowed Clarkston to flourish as a fruit-growing region. In approximately what years did he do his work here?
4. True or False? There was once a town in the area named Assotin City.
5. What is the meaning of the word 'Asotin'?
6. Find a picture of a church that you recognize to be still standing today. What is the name of the church and when was the photo taken?
7. Locate a picture of Charles Francis Adams High School taken sometime in the 1920s and 30s. Is any part of that school still in use today?
8. Locate a picture of downtown Clarkston. Name any stores that are still in business today. Are they in the same buildings as when the photos were taken?
9. Find a picture of a local parade and write down the Resource Identifier number, title and date of the photo.
10. Look for pictures of the Asotin County Court House and determine if it is in the same building that is in use today.
